TRAGEDY AT ST. JOSEPH.

A Policeman Murdered by a Saloon

keeper on South Eighth street, just opposite the Hannibal and St. Joseph That he forgot it for a moment, and lent passenger depot, and officer James Bates imself to the witcheries of an artful wo- went into the bawdy house known as Big man, is sufficiently explained in the state. Mande's, near the corner of Eighth and ment that he's nothing but a man-a dear. Patee street, now kept by one Annie Duold artless man, who thought all women an- gan, and found there two men engaged in gels-and a grass widow one of those ten- conversation with two girls belonging to der, sensitive plants, upon whom the rough the house, one named Annie Dugan, and winds of the world had blown too roughly. the other known by the euphonious title of Naturally, he fell an easy victim. When the "Granger." They sat down and began

When it was brought in Callahan invi-Mr. Crandall's substitute carried by a vote her sweet and blossoming sympathies were crushed in the bud, the chivalry of the old ted the two strangers to drink, but they deing (what few remained) was that man took fire, and he swore that if heaven clined, and the beer was drank by Callahan, Bates sent out for another bottle of beer and the two strangers helped to drink it. The conversation then turned upon police offiers, railroading and track-laying, when Bates, addressing Black, remarked that he had worked on the track, and believed he had seen him down below town also, Black said he didn't think he had; he lived "Oh, but you'll get over that feeling-it's at Rushville, but didn't think he ever very natural, but it will wear away in knew anyone by his name there. Bates time," rejoined the old fellow, so'ely intent then cemarked that he had been there and "With such a man as you to cling to, yes. laid the track there, at the same giving the I never thought there was so much happi-ness in store for me," murmured the widow, Black took offense at this and replied ment, the soft light of her eyes, "But, that he didn't care whether Bates then, I know you love me very dearly," iming about dark an old-fashioned close car- paling him with a ravishing glance. | think anybody was afraid of him because "Eh-what-me-oh-what is it you he was a policeman. "If he wanted to arthe affair had taken. He had never meant rest him he could." At this Bates caught woman, the latter having in her arms a to offer himself, and here he was engaged him by the coat collar and lifted him from the chair. Black then got up and started tures. The same too, may be said of

Miss Muloch. Goodness and grace will churches are too numerous to mention—
